## SERVICES CATEGORIES

### 1. Subcontracting Services (Project-Based)

IMK provides technical manpower and on-site supervision at subcontracting level to support construction, fit-out, maintenance, and infrastructure projects. Our teams operate under IMK supervision and in compliance with project HSE, quality, and schedule requirements.

#### Scope Includes:

- Skilled and semi-skilled technical manpower
- Dedicated site supervisors and foremen
- MEP, civil, finishing, and maintenance support
- Project-based manpower deployment

### 2. One-Time Manpower Deployment

IMK supplies skilled or semi-skilled manpower on a one-time or short-term basis based on client request. Deployed personnel work under the client's direct site supervision for the agreed duration.

#### Ideal For:

- Short-term project support
- Emergency or peak workload requirements
- Temporary workforce needs

### 3. HR & Payroll Management (IMK-Sponsored Workforce)

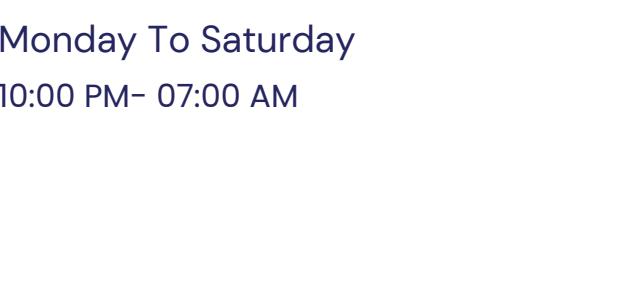

IMK manages full HR and payroll services while staff remain under IMK sponsorship and systems. Accommodation, transportation, payroll processing, and statutory compliance are fully handled by IMK.

#### Services Include:

- Employee sponsorship and visa management
- Payroll processing through WPS
- Accommodation and transportation management
- Insurance and statutory compliance
- HR administration and documentation
